

Pursuant to Article 46 and 67 of the Energy Law ("Official Gazette of RS", No. 57/2011, 80/11 – corr., 93/12 and 124/12), Article 66 of the Law on Public Enterprises ("Official Gazette of RS", No. 119/2012) and Article 26 and 32 of the Statute of PE EMS ("Official Gazette of RS", No. 58/05 and 65/11), the Managing Board of PE "Elektromreža Srbije", Belgrade, on its XLV regular session held on February 2, 2013 adopted the following

DECISION

ON SETTING ELECTRICITY TRANSMISSION USE-OF-SYSTEM CHARGES

1. Hereby transmission use-of-system charges shall be set.
2. Charges referred to in item 1 hereof shall be given according to tariffs set according to tariff elements pursuant to the Decision on Determining Methodology for Setting Electricity Transmission Use-of-System Charges ("Official Gazette of RS", No. 93/2012) and they amount to:

Tariff element	Tariffs	Unit	RSD/unit
1. Active power	Approved power	kW	37.5638
	Excessive power	kW	150.2554
2. Active energy	Higher daily tariff	kWh	0.3303
	Lower daily tariff	kWh	0.1651
3. Reactive energy	Reactive energy	kvarh	0.1399
	Excessive reactive energy	kvarh	0.2798

3. The Decision shall be submitted for approval to the Energy Agency of the Republic of Serbia.
4. Upon being approved by the Energy Agency of the Republic of Serbia, the Decision shall be published in the "Official Gazette of the Republic of Serbia" and applied as of March 1, 2013.
5. Hereby, the Decision of the PE EMS Managing Board, classification number: I-03-01, No. 11682/3 shall cease to be valid.
